Summary

As a multimedia design student with an emphasis on Frontend, I am looking for an internship in a company of a similar profession.

Education is Multimedia design at KEA - Copenhagen School of Design and Technology, and internship would take place from the 22nd of August until the 28 of October 2022.

I believe that with the skills learned at KEA, I could participate in the work of your company, learn something new, and maybe become part of a permanent team in the future.

Skill Highlights

- Web development
- Web design
- Ideation
- HTML, CSS, JS
- UX/UI
- Vite JS
- React JS
- Tailwind CSS
- GitHub
- SaSS
- Adobe apps
- WordPress
